*We recently attended a wedding at this stunning venue as a guest and I must say it was one of the most beautiful weddings I have been to. Everything was perfect. There are so many stunning places to have photos taken inside and outside. We had a beautiful day. The food was delicious. The service was fantastic. I had my daughter and baby with me and staff offered to carry my bag for me before I had even realised I might be struggling - very attentive. My husband and I got married at one of the best known Essex wedding venues and I have to say this seriously rivalled it - although I loved our wedding day, after attending this one I wanted to do it all again & felt compelled to write a review. I was allowed to have a sneak peak and the bridal dressing area - wow - every girls dream! What a fantastic classically beautiful wedding venue steeped in history. And a lovely bar & brilliant party atmosphere in the evening. Everyone had an awesome time and the bride and groom just looked thrilled the whole day and evening. This place has it all!*
